

ENTERPRISE PROGRESSION

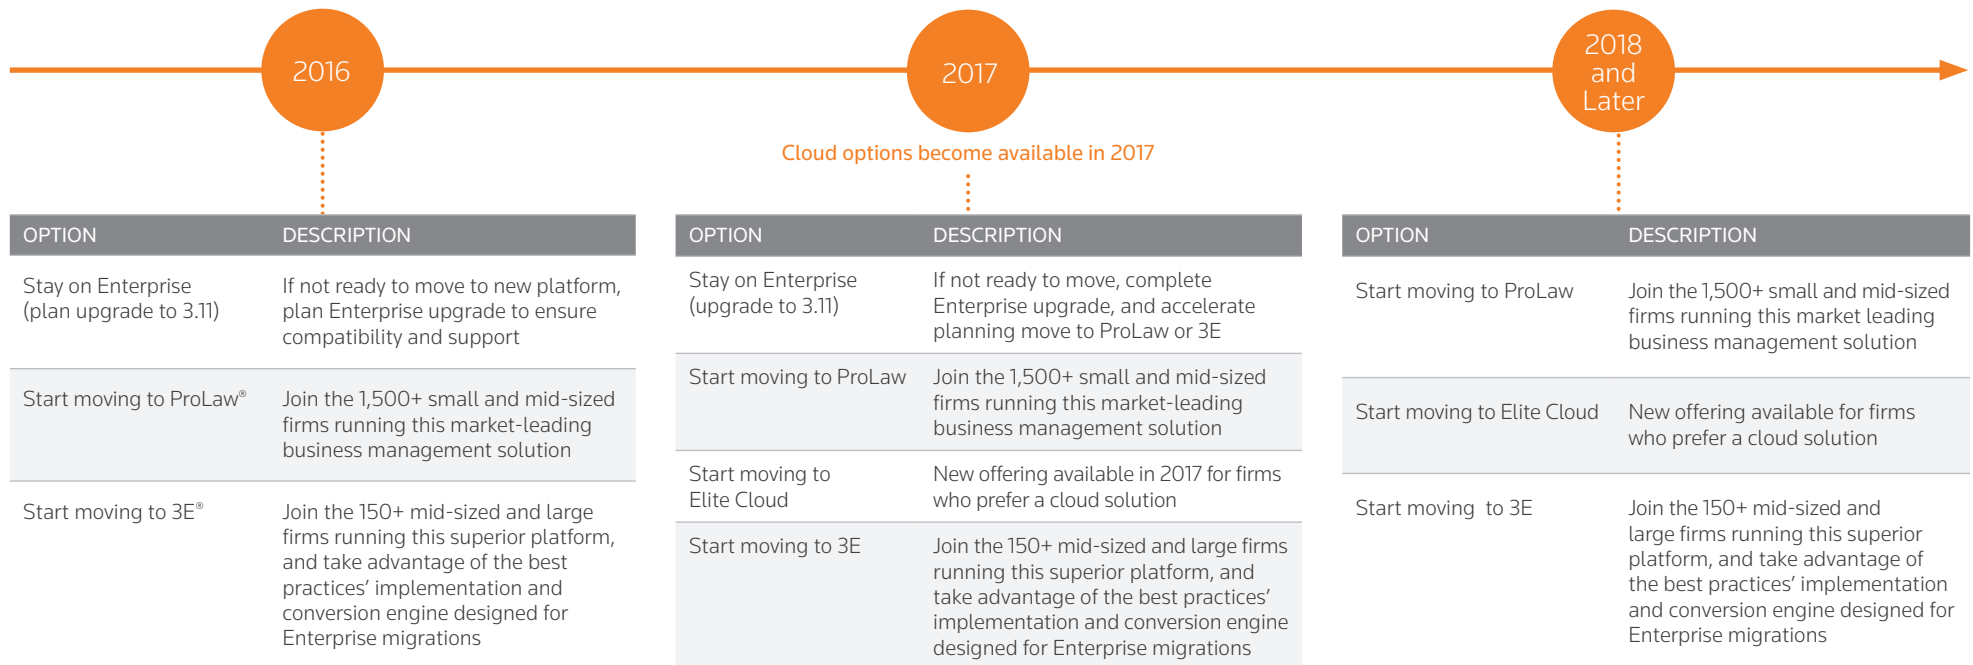

OPTIONS FOR MIGRATING FROM ENTERPRISE

As you prepare to migrate from Enterprise®, it pays to consider all of your options to determine the best path forward to a successful future. Here at Elite, we are prepared to help you, our valued Enterprise clients, explore the opportunities and timing for moving beyond Enterprise into a solution that will grow to meet the needs of your firm not just for today, but for tomorrow as well.

The following table summarizes solutions tailored to your firm's configuration and size as well as when you expect to migrate. Contact your account manager for more information and to further explore your options. If you don't know who your account manager is, go to elite.com/progression and click "Consult."
