

## ELITE 3E FIXED ASSETS AVAILABLE WITH 3E VERSION 2.6

Does your fixed asset software provide you with the optimum visibility and control you need? ELITE 3E® Fixed Assets is an efficient, secure and agile tool designed to meet the needs of leading law firms. 3E Fixed Assets provides firms with greater control and accountability. The system allows your firm's accountants to proactively manage and depreciate assets through the entire lifecycle, from procurement to disposition. Robust reporting allows real time communication of firms' asset position to management as well as taxation authorities.

3E Fixed Assets is an integrated component of the 3E Business Optimization Suite, a powerful business process platform designed specifically for legal and professional services firms. 3E provides core financial management and practice management features along with built-in application development capabilities that help transform your firm's unique business processes to achieve strategic advantage.

3E Fixed Assets will be available in 3E Version 2.6 to be released in Winter 2010, and features the following powerful capabilities:

- Supports assets in different currencies
- Unlimited number of books
- Separate physical and accounting locations per Asset
- Transactions including: asset additions, transfers, reclassification, splits and retirements
- Multiple cost components per asset
- Standard and user-definable depreciation methods
- Standard, catch-up and additional (Bonus) depreciation available
- Section 179 Depreciation Handling
- Posting to the General Ledger via pre-defined posting masks
- Reporting
- Asset load (via Biztalk)

The world's leading law firms have turned to industry standard software like ELITE 3E to improve processes and boost profitability. With more than 60 years' experience, Elite has the proven expertise to make it happen for you.
