

PROLAW XII REPORT BUNDLES

FEE ANALYSIS BUNDLE

Reports in the Fee Analysis bundle allow organizations to view productivity metrics in a variety of ways including the easy monitoring of missing time and lost revenue. Reports in this bundle include Fee Analysis Actual Worked and Billed, Missing Time Listing with Average Rate with Chart, and Trends.

FIRM ANALYSIS BUNDLE

Reports in the Firm Analysis bundle allow organizations to monitor how efficiently they're operating by showing WIP and A/R in a single report. Reports also show profitability indicators such as the average hourly rate for a period, utilization of billable capacity, billable hours per FTE per day and collections efficiency. Reports in this bundle include WIP and A/R Analysis, Profit Indicators, and Average Days to Pay.

FINANCIALS BUNDLE

Reports in the Financials bundle provide a more comprehensive view of financials by providing financial information for different groups and different levels of detail for each group. Reports also provide financial statement trending over multiple periods in one place. Reports in this bundle include Comparative Balance Sheet, Roll-up Balance Sheet, Comparative Income Statement, Roll-up Income Statement, Income Statement with Account Groups for Multiple Offices, Departments and Partners, and Comparative Trial Balance.

TOP X REPORTS BUNDLE

Reports in the Top X bundle provide a quick at-a-glance view of key client and practice area information including total billed, paid and the A/R balance, billing reductions and billing increases. These reports allow you to quickly identify your most profitable clients and practice areas. Reports in this bundle include Top Billed, Paid and A/R, Top Billing Reductions, and Top Billing Increases.
